Service Descriptions

To access Support at Home funding, you will receive a Notice of Decision. This will tell you what services you have been approved to access, the funding level available to you, approvals to utilise any short-term funding (eg Restorative Care) that is additional to your Support at Home budget, and approvals to access Assistive Technologies or Home Modifications. Corumbene can also access this information through the My Aged Care Service and Support Portal.

Your Case Manager can help you set up your supports to ensure you remain within your budget and assist you to develop a Care Plan to help you achieve your goals and remain living at home in a happy and healthy way.

Clinical Supports

Nursing Care

Corumbene's Registered or Enrolled nurses can provide you with support to assist you to manage complex or chronic health issues. We encourage you to discuss your health needs with your Case Manager to determine if a nurse may be an effective option.

Nursing Consumables

Nursing Consumables are products the nurse needs to take care of you, for example wound dressings. Nursing consumables will be charged at the cost of the product plus 10% or $500 (whichever is lower).

Keep Active Classes at Freedom Gym

Corumbene provide two group activity classes, held at Freedom Gym in New Norfolk, to assist you to regain or maintain your strength and balance. If you're interested in attending, please discuss this with your Case Manager.

Allied Health Services

Allied Health services such as Occupational Therapy, Physiotherapy, Podiatry, Dietetics and Speech Pathology can be purchased using your Support at Home funding. Some of these services are required should you need to access mobility devices or other assistive technologies. You may also wish to access an Allied Health Assistant to help you with exercise or strategies to improve your health. Your Case Manager can discuss with you how and when to access these services.

Care Management

Care Management involves activities that support your health, safety, and overall wellbeing through coordinating your services, monitoring your needs, reviewing your care plan, and providing advocacy and education. These services are delivered flexibly based on your individual needs. 10% of your Support at Home budget will be allocated to Corumbene as part of a pool of funding that Corumbene can utilize for all Support at Home clients. Your Case Manager will discuss this when you establish your budget.

Restorative Care Management

The Restorative Care Pathway provides additional *short-term* funding to help you access additional clinical services to help you stay at home longer or remove the need for you to access a higher level of Support at Home funding. Our Registered and Enrolled Nurses can provide Restorative Care Management to facilitate this funding program. Your Restorative Care Manager will work closely with you and your clinical care team to help

you regain your independence. This pathway can be accessed via an assessment from an Aged Care Assessor.

Independence

Personal Care

Personal Care can be provided in the manner that you choose. You may just want a bit of help with dressing or you may like our qualified staff to support you with showering and personal hygiene.

Assistance with Managing your Medication

As we age, we often end up having to take a lot of tablets! This can sometimes be confusing. Corumbene encourages our clients to utilise Webster Packs or Dosette Boxes to avoid medication errors and make sure you get the right dose at the right time. Sometimes you may need a bit more help with this task. Our staff are trained to assist people with medication in these instances. Whilst they cannot provide injections (eg insulin), they can help you to make sure you receive your medications when you need it. This can be very reassuring for you and your loved ones.

Social Support & Community Engagement

Social Support is an opportunity for you to utilise Corumbene's friendly staff to get you to social activities or appointments you need to attend in the community. It may be something you already do, or you may like to think about activities that you'd like to do that our team can help you to access. Your Case Manager can also link you to activities that are happening in the community, including Corumbene's fun Social Group or Keep Active Group that has seen many clients improve their health and meet new people.

The Hub Social Group

Corumbene have a regular group that meet up on Wednesdays and Thursdays. The group engage in a range of activities out in the community. Our Coordinator works with the group to develop a calendar of fun activities for you to choose from. The group offers you a chance to make new friends and have a laugh. The service is delivered by qualified Aged Care professionals, so it can also be a place to go to give your loved ones some respite.

Digital Education & Support

Sometimes you may need assistance with managing or setting up your mobile phone, new smart TV, or lap top. Please contact your Case Manager if you'd like to explore using this option.

Therapeutic Services

Funding is available to access therapeutic services such as Remedial Massage, Chiropractics or Osteopathy. If you would like your Support at Home funding to support you to access these types of services, please discuss this with your Case Manager.

In Home Respite

In home respite can provide the person who helps you with a bit of a break. Our staff can come to your home or take you out somewhere so that your loved ones can rest, attend an appointment, or just take some time for self-care. This can be a regular time, or you can arrange this on an 'as needs' basis to give you flexibility. Please ensure you give our scheduling team notice to give Corumbene time to find the right staff member for

this support. In home respite can be arranged in an 'emergency' however this will limit your choice of who will come and assist.

Transport

You can utilise your Support at Home funding to access transport to get you from A to B. You may wish to use a Taxi or Uber. Your Case Manager can help you arrange this, or you can arrange the transport yourself. Please ensure you have discussed your budget with your Case Manager to ensure you have enough funding to cover the cost.

Everyday Living

Domestic Assistance

Domestic Assistance is a fancy way of offering you someone to assist with keeping your home clean and tidy, help you to wash and dry your clothes, get the dishes done, take the rubbish out, or anything you need to maintain a healthy and hygienic home environment.

Home Maintenance and Repair

Your Support at Home funding can assist with light gardening (eg lawn mowing, pruning or yard clearance for safe access) or help with minor repairs and maintenance around your home. There are limits to how this funding can be utilised, so please discuss this with your Case Manager when setting up your Care Plan.

Meal Preparation and Delivery

Your support staff can help you prepare meals for the week so that you don't have to think about what to eat each day. Staff can assist you to cook your favourite meals and freeze them so that you can easily re-heat them each day. Make sure you let your Case Manager know what you like and don't like so that we can pass this onto your team.

Assistive Technology & Home Modifications (AT-HM)

You may be assessed as requiring Assistive Technology (AT) or Home Modifications (HM). This funding is additional to your Support at Home package. Should you require AT and/or HM you will receive a 'level' of funding (Low/Medium/High) to purchase a required item or modification, which your Case Manager can assist you to arrange.

For AT funding, Corumbene will charge an additional 10% or up to $500 (which ever is less) as an administration fee to assist you to access the required assistive technology (eg wheely walker).

For HM funding, Corumbene will charge an additional 15% of the quoted cost or up to $1,500 (which ever is less) as an administration fee to assist you to organize your home modification. If you require a 'high' level home modification, Corumbene will arrange an Agreement between yourself, the Contractor and Corumbene to ensure all parties under their obligations.
